

Experimenting – Learning – Understanding

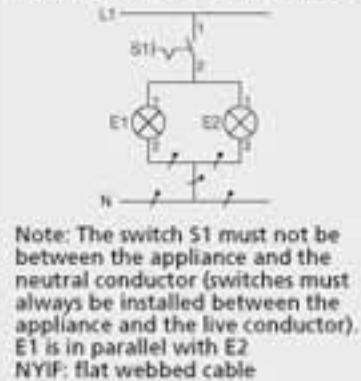

Installation Technology – Selected basic circuits

Circuit for two lights

Circuit diagram (assembled)/
Installation plan

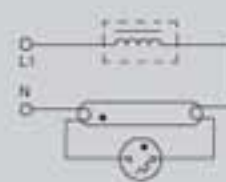

Circuit diagram (exploded)

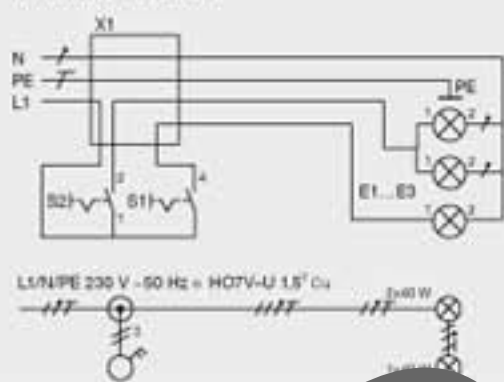

Circuits for fluorescent lights

Inductive circuit

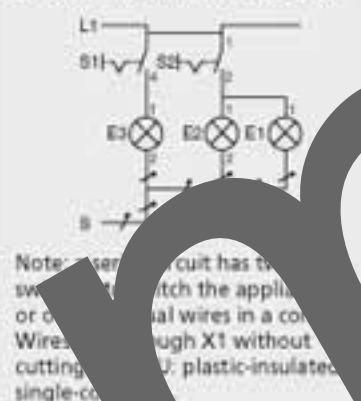

Series circuit

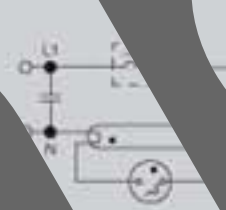

Circuit diagram (assembled)/
Installation plan

Circuit diagram (exploded)

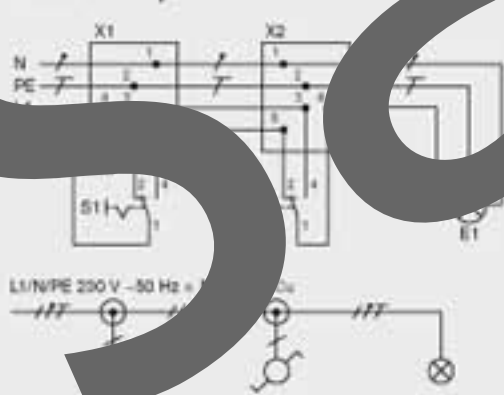

Induction-capacitive circuit

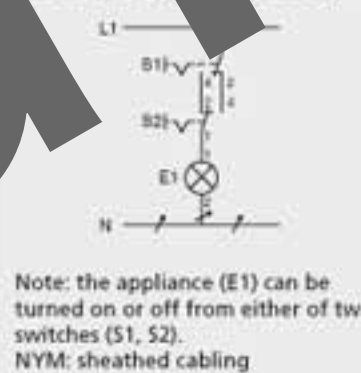

Two-way circuit

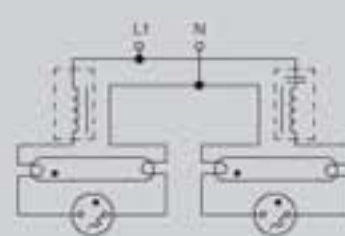

Circuit diagram (assembled)/
Installation plan

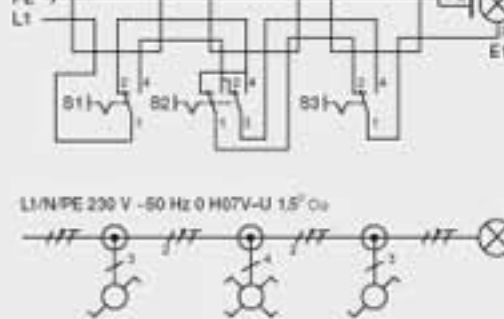

Circuit diagram (exploded)

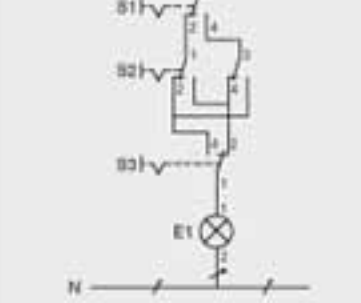

Duo circuit

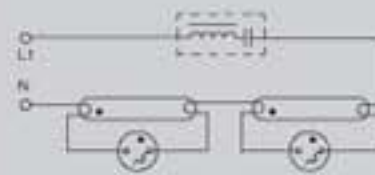

Circuit diagram (assembled)/
Installation plan

Circuit diagram (exploded)

Capacitive tandem circuit
